I can sleep a lot better now; I hope that people will go to my website and talk about not only bi-polar disorder which is so misunderstood, but also substance abuse, and domestic violence. During an era when the country was more aware than ever of how important good education was, the white community preferred not to educate than let white and black children share a classroom.

In Chile, the type of culture that has defined the relationship between individuals is a culture of hierarchy and respect for authority. This is reflected in the way that people interact with each other, with a clear distinction between those in positions of power and those who are not. Google Scholar 3.
