???????

Astrologers point to the deep, penetrating nature of a

Scorpio's personality and correlate it with water, the elemental force associated with Scorpio. Now, standing on the shore facing the ocean, I remind them of the map; we are specks on the speck.

## Poems of Progress

The consumption of religion, furthermore, suggests a fundamental change in the meaning of religious belief such that it has increasingly less to do with conviction [and truth] and more and more to do with personal preference. We are at war with a supernatural evil spearheaded by Satan himself, and it is personal.
