This provides both women with the suitable scenario where to expose the meaninglessness of an anachronous system, where a series of cannibalizations combine with a catalogue of gross, preposterous males who attest for a society in need of a thorough renovation. The initial theme of the energetic finale seems to echo the simple triadic character of the opening hunt motif and, despite some commentators' objections to an inappropriate association, here the music fairly conjures the bristling excitement of the chase. Vibration might come from vehicle operations such as helicopter or armored personnel vehicles.
