**Understanding the Process of Economic Change (Princeton
Economic History of the Western World)**

Information tends to flow up the chain of command until it arrives at a high enough level to form a complete picture of the entire process, akin to the near-perfect picture conventional wisdom attributes to the RMA.

The Toy Boy

In Tibetan mandalas familiar to us today, the square palace is encompassed by three or four circles. Economic processes do not yield efficient outcomes because entrepreneurs operate in imperfect markets and do not have the capacity or incentive to promote changes.
