### **The Four Seasons of Our Life**

The manifest inference we would derive, however, from these considerations on the institution of Matrimony is this: that the effects which it produces are as various as the characters of the persons concerned, and that, as a union so closely allied with the very nature of the respective individuals, it must be attended with the most hurtful consequences when the State attempts to regulate it by law, or through the force of its institutions to make it repose on anything save simple inclination. Cast off thy care, leave Allah's plans to him, He formed them all without consulting thee.
