## **As Seen by an Engineer**

Dorothea Lange's photograph of a migrant mother-America's white Madonna thrust onto the road and exposed to the elements-drew attention to the plight of those who had been driven off the land and opened up the larger issue of the social relationship to the land.

## **And...I Only Thought I Knew It All**

Another level of awareness to have is to understand the time the virus can survive on a surface. Against the consensus of the Church before him, Nestorius never wanted to think of the eternal Word as synonymous with Jesus Christ.

## **Theres A Possibility**

By choosing to join the Smart Home technology early as an early adopter you risk spending a significant amount of money on a specific technology, only to have it outdated in a short period and replaced with something. Good news is that there are sites out there dedicated to listing all the class action lawsuits that are still open.
